THE MOST BEAUTIFUL ROUTES
OF UPPER BAVARIA

**Honoured guests and cherished friends
of my two houses,**

your stay here in mesmerising Upper Bavaria is surely going to be special. And what could be better than spending some of that time in the car, feeling the wind in your hair and enjoying the glorious landscape to the dark hum of your engine? We provide you with a selection of our favourite stunning routes in Bavaria's Alpine foothills and we are delighted to share some personal insider tips about them with you. As a passionate motorist and frequent commuter between my two worlds in Rottach-Egern and Reit im Winkl, I love getting my Pagoda out of the garage on a beautiful day. I put up the roof and cruise through the sun-lit villages

that bask along the exhilarating German Alpine Road connecting Egerner Höfe and Gut Steinbach. When the breathtaking scenery of our beloved homeland and the enthusiasm sparked by flawless technology come together, all you feel is the pure joy of being on the road! The Roadbook you are currently holding came about because petrol is running in our veins and because our love for the beautiful Alpine foothills is burning strong. It was created with the hope that you too will find your personal road to happiness here in Upper Bavaria. Perhaps you will even share your discoveries and secret tips with us? I wish you many joyful and satisfying hours at home with us in Egerner Höfe and on Gut Steinbach!
